WALTER WASHINGTON, A.B., M.S., Ed.S.

The President's Message

I should like to congratulate the Annual Staff and its advisors for the 1961-62 *UTICANITE*, the school annual.

This is a pictorial review of the opportunities that are provided for the continuous growth and development of the young men and women who are enrolled here. It expresses the rapid growth of the Junior College and the new opportunities that this rapid growth has brought to both the faculty and students.

Utica Junior College is a subject-matter-centered college. The major emphasis is on classroom teaching. Students who come from this academic program are equipped to transfer after the two-year program to the senior colleges of the State without difficulty.

The Terminal Program has attracted great interest since it was started in 1960. This program will enable young men and women who are not interested in transferring to senior college to take a variety of terminal trades, the completion of which will enable them to go directly into gainful employment. We consider this a very important extension in our school offerings. With these expanding opportunities, plus a group of dedicated and well-trained faculty members, Utica Junior College is rapidly moving to a position where it can be a most positive influence in the lives of both the students and the community.

We hope that everyone who will read this annual will get an insight into the college that has meant so much, to so many, so long, in the Utica Junior College district.

Very truly yours,
WALTER WASHINGTON

The Dean's Message

My dear Friends,

We are sure that in years to come, when the facts are reviewed for the compilation of the history of our beloved Utica Junior College, the 1962 **UTICANITE** will play an important role.

May the memories of your long hours of work, play and study here at Utica Junior College lead you to lofty heights and guide you to successful lives.

To the hard-working staff of the 1962 **UTICANITE**, we say thanks for a job performed so well. May the joy and admiration that you deserve come to you through the appreciation and satisfaction of all who read this book.

Very truly yours,
GEORGE A. JOHNSON

The Features

Utica Junior College features some of the loveliest girls in our state. Not only are we featuring girls who have won recognition on our campus but they have also won local acclaim.

We feature Miss Utica Junior College, our ideal gracious belle, full of love for her school; Miss Homecoming, the incarnation of an industrious young lady; President of the Student Council; Miss May Queen; Miss March of Dimes; the five girls chosen as favorites on campus; and Miss May Queen of 1960.

MISS MARCH OF DIMES

Miss Sophomore

Miss Iona Divinity, a graduate of Hinds County Agriculture High School, is a member of the sophomore college class. During Miss Divinity's high school career, she was a member of the Tri-Hi-Y, New Homemakers of America, and the Usher Club. Now she works diligently in her class. For this and many other reasons, she captured the title, "Miss Sophomore."

Miss Freshman

Lovely and vivacious Miss Velma Guynes hails from Clinton, Mississippi. She is a graduate of Sumner Hill High School. While at Sumner Hill, she was a member of these organizations: Student Council, Dramatic Club, New Homemakers of America, Dance Troupe, Honor's Club, Fashion Model for the March of Dimes, and first runner-up for MISS HOMECOMING. One can easily see that VIVACIOUS is the word for Miss Freshman, Velma Guynes.

Miss Senior

Miss Betty Winters of Utica, Mississippi, represents her class as MISS SENIOR HIGH SCHOOL. Since her matriculation at Utica, she has maintained a "B" average. Miss Winters has held various positions in different clubs. Presently she is a member of the Uticanite Staff, French Club, New Homemakers of America, and the Usher Club.

Miss Junior

The charming Miss Beverly Davis ably represented her city, Utica, as MISS JABBERWOCK of Delta Sigma Theta Sorority in 1960. In 1961 she was chosen as SWEETHEART OF THE YACHT CLUB and first runner-up for MISS HOMECOMING. She was also a contestant in MISS MISSISSIPPI BEAUTY PAGEANT. Miss Davis is an honor student. She is a member of the junior class, the French Club, and the Uticanite Staff.

Miss Sophomore High School

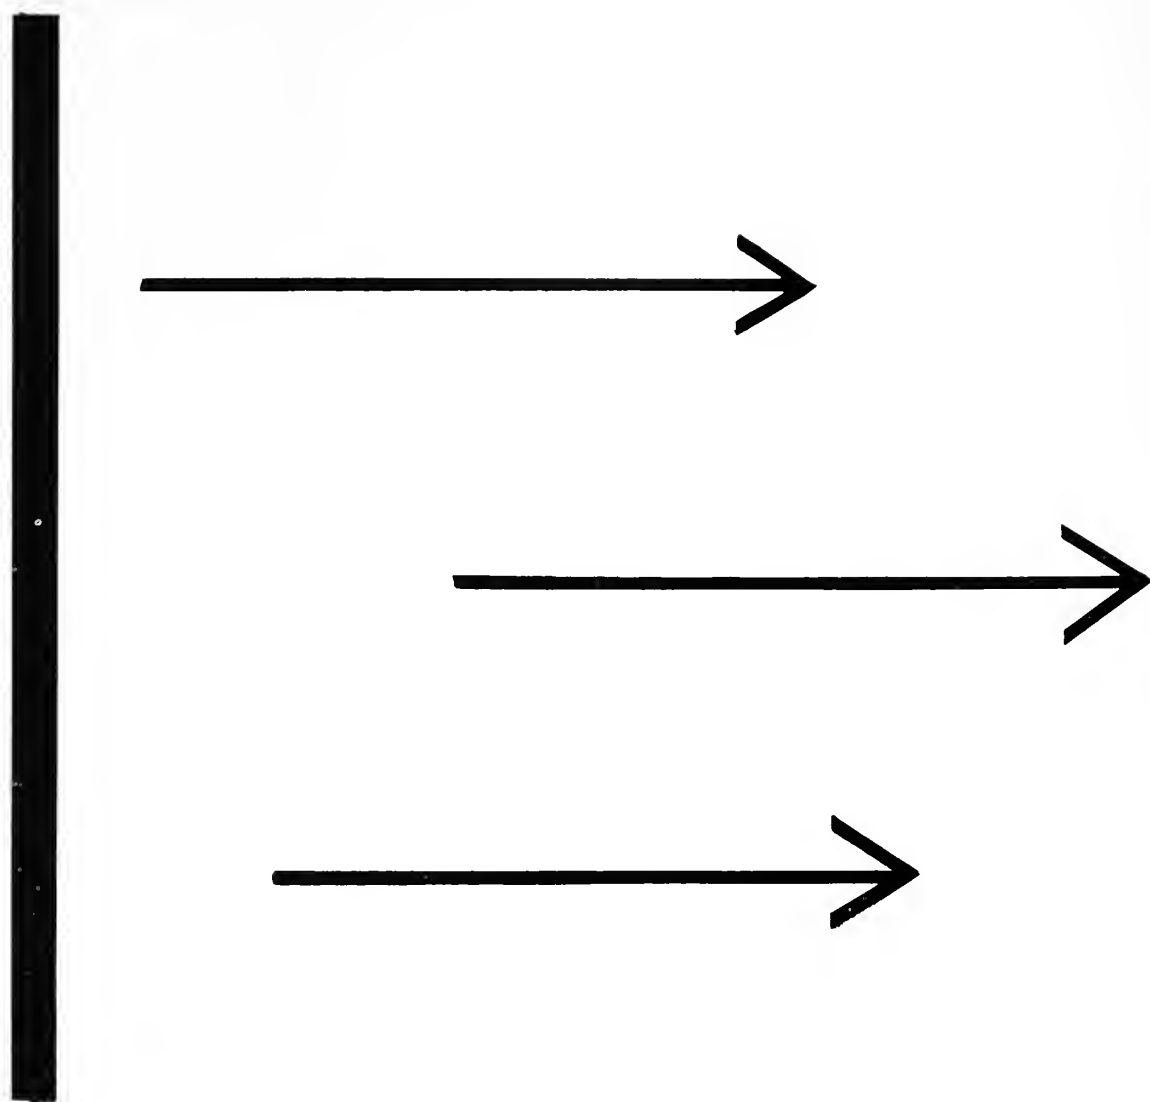

Miss Mary Ella Myricks comes from Carver Junior High School, Raymond, Mississippi. As a tenth grade student, she has shown promising ability. She is an Honor Roll student. Among her other titles are class chaplain, a member of the Tri-Hi-Y, Uticanite Staff, and the New Homemakers of America Club.

Miss May Queen 1960

Miss Ruby Mason, a high school senior from Raymond, Mississippi, won the title MISS MAY QUEEN in 1960. Since that time her stay here at Utica has been an exciting one. Miss Mason plans to enter Utica Junior College next fall. Her ambition is to become a history teacher. She is a member of the Science Club and the French Club.
